P.O. Box 1056
Reisterstown, MD 21136-7056

FINAL MEMBERSHIP NOTICE

We have repeatedly cautioned the community of independent exhibitors that the digital cinema transition is underway, and that CBG membership represents one viable way for independents to participate in the transition. There are no guarantees for anyone, but if you are not a member of CBG and have not otherwise arranged to obtain digital cinema equipment and service, then you are strongly advised either to join CBG or make such an arrangement.

The Cinema Buying Group is currently engaged in evaluating proposals from digital cinema system integrators to provide digital cinema equipment and service to CBG members. It is now necessary to provide precise information to qualified vendors about the locations they would be equipping—which compels us to finalize the CBG membership list. It is therefore necessary to impose a deadline. The **deadline** for CBG membership, for purposes of participating in the digital cinema deal arranged by CBG for CBG members, is:

Friday, November 2, 2007

If we do not have your paperwork and dues by November 2nd, then you will not qualify to participate in the digital cinema equipment and service deal currently under evaluation. Please visit www.cbgpurchasing.com to get more information about CBG membership and download the forms that must be completed.
