

## VIDEO RELEASE & ANNOUNCEMENT WINDOW AVERAGES BY DOMESTIC BOX OFFICE GROSS

Includes box office grosses (in millions) and home video release dates announced as of 3/7/19. Calculations only from films which had initial theatrical release in the time period specified and have home video release dates. Please note the categories cover ALL films grossing over the stated amount, including films in higher grossing categories. If a lower category of grosses is empty of films, it will naturally have the same average as the next highest category of grosses containing films.
